

RenegadePBX Pro 75

**Ideal for Small to Mid-sized Businesses
and Branch Office Locations**

RenegadePBX Pro 75 is a premise-based appliance built for small to mid-sized enterprises looking to seamlessly integrate IP phones, VoIP trunks, PSTN connectivity while improving employee collaboration and productivity with a large suite of advanced features.

The RenegadePBX Pro 75 supports up to 75 licensed extensions and 45 simultaneous calls.

Included Features

Quick-Start Installation Wizard

The quick-start Installation Wizard for RenegadePBX Pro 75 makes it incredibly easy to get your PBX set up with basic configuration in just a few minutes!

User Control Panel for Personal Administration

UCP provides each user with a web based login to allow easy control of their personal experience from any device. Users can view their call history, view contacts, set their presence and personalize their phone soft-keys like call forwarding, follow me, call waiting and do not disturb.

Integration with Sangoma IP Phones

Zero Touch Provisioning

Designed specifically for RenegadePBX Pro 75, Sangoma's line of IP Phones auto-provision themselves out-of-box using our Redirection Service and EndPoint Manager Module.

Full Suite of Phone Applications

A suite of applications to control functions and settings directly from the screen of IP phones. No need to remember feature codes! PhoneApps are built-in to Sangoma IP Phones and also offered to 3rd party vendors.
