

Emergency Communication In Assisted Living And Nursing Care Facilities

Call Toll-Free: 1-800-398-8647

voipexperts@voipsupply.com

Their families can't visit them right now.
Knowing they're in good hands, in an environment with the latest in communication technology is vital.

The 011049 SIP Call Button plays a stored audio message to any endpoint that receives multicast, while making a SIP call to the nurse's station.

011458 Ceiling and 011487 Wall Mount Multicast Speakers are a cost-effective option for emergency communication.

011491 Outdoor option also available
