

LET'S GET PERSONAL

BENEFITS

- Customize your personal device to meet your collaborative needs and workstyle
- Accept built-in notices letting you know when an update is available and ready for install
- Customizable reminders that make sure you get the hydration and breaks you need to stay productive
- Get more done throughout your day while minimizing common distractions found in the home or office setting with focus audio
- With built-in self-help guides, support information, and troubleshooting tools you'll minimize disruption to your workday

POLY LENS DESKTOP

Make the most of your meetings with Poly Lens Desktop. A single app for customizing your personal devices to how you work, whether that's in the home or office. Staying up to date with the latest software is easy as a click, now, or when it suits your schedule. With built-in, customizable health and wellness reminders, you'll feel better throughout the workday staying hydrated and active. Staying on-task is easier when you mask distractions with our focus audio. Rest easy knowing that help is no more than a click away with guides and contact information.

- In-app customization for personal device settings
- Built-in notices for software availability
- Included and customizable health and wellness reminders
- In-app soundscape audio that provides better focus
- Self-help and support information at your fingertips
