DATASHEET

# C920E HD WEBCAM

HD Video. Incredible Price.  
C920e is a work-from-anywhere webcam that delivers HD video meetings that look and sound better than most laptop built-ins at a price point that's ideal for mass deployment.

The 78° diagonal field of view displays individual users in a well-balanced visual frame while two integrated omnidirectional mics<sup>1</sup> can be enabled to capture audio clearly from up to one meter away.

Built-in HD autofocus ensures you're seen clearly when on camera, while a detachable privacy screen flips up and down to cover or expose the lens.

C920e works with all popular video calling applications, including Microsoft® Teams, Skype™ for Business, Google Voice and Meet, Zoom® and others to ensure compatibility and seamless integration in the workplace.

# KEY FEATURES AND PRODUCT SPECIFICATIONS

- 1 Ideal dFOV for individual users:** A 78° diagonal field of view along with the built-in HD autofocus and automatic light correction ensures clarity throughout video calls.
- 2 Dual mics:** Two integrated omnidirectional microphones, optimized to capture your audio from up to one meter away, can be enabled via the Logi Tune app.
- 3 Privacy at your fingertips:** An attachable privacy screen that flips up and down to cover or expose the lens. A simple glance at the cover confirms your space is not seen.
