BRAND NEW DESIGN

Cool Lighting Color, Show Off Your Keyboard

The inspiration for cool lighting keypad in V67 comes from the luxury car interior. The flow lighting not only pleases your eyes but also improves your work efficiency as a status indicator.

Colorful Lighting Keyboard

Antibacterial Surface Protection

Antibacterial material of the handset and keypad surface effectively inhibits more than 99.5% of bacteria growth. We protect your health during the special period.

Antibacterial Surface Protection

* Supported by V67, V65

Adjustable Big Screen, Enjoy Your View

The 7-inch touch color screen with the angle of 0-40° can easily adapt to the different visual angles of users, bringing the ultimate visual experience.

Adjustable Color Screen

PRODUCT HIGHLIGHTS

Audio/Video Mixed Conferencing, Connect More

V67 supports 10-party audio conference (including up to two-way video calls) or 3-party video conferencing. Built in 2.4G/5G Wi-Fi and Bluetooth 5.0 modules, V series brings wireless office experience.

* V65, V64, V62 support 6-party audio conferencing

Available to Link with Security Products

Compatible with SIP standard and major mainstream platforms, V series can be easily customized into various security solutions for reducing investment.

Crystal Clear Audio, Hear Every Detail

V series supports Opus and G.722 wideband audio codec. It is coupled with the Noise Reduction technologies and Full-duplex AEC, bringing an immersive listening experience.

Android 9.0 OS, Support More Possibilities

Based on Android 9.0 operating system, V series provides a comprehensive SDK (developer kit) to meet the customization needs of industry applications and secondary development.

Auto-Provisioning Deployment & Configuration

Efficient automatic deployment configuration can be realized through Fanvil FDPS. By Fanvil FDMCS, it is no need to download software, and supports product system online management and upgrading.

High Definition Video, Catch Every Detail

V series has a built-in five-megapixel HD camera with privacy cover. V67 supports H.264 and 1080P video codec, two-way video call, and brings the ultimate visual office experience.
