

EDU 10

Multi-platform plug-and-play

Perfect for K-12 and Elementary students learning from the classroom or from home, the EDU 10 brings high quality sound and ease of use to a range of platforms including PC, Chromebook, Mac®, mobile phone and tablet. A single 3.5mm jack enables plug-and-play simplicity - connect the jack to the device, and you are ready to go.

Meanwhile, stereo earpieces deliver clear stereo sound while elevating your focus. A unidirectional noise-canceling microphone cuts out background noise when speaking, ensuring clear communication and understanding in virtual learning environments. Built to be affordable and durable, EDU 10's lightweight design and adjustable headset ensures fewer distractions letting students focus on what matters.

Key benefits & features

Multi-platform support

EDU 10 capably supports PC, Mac®, Chromebook, tablet and many other devices that feature the common 3.5 mm communication port.

Stereo sound to optimize students' focus

A double-sided ear-piece design brings clear sound while covering both ears, helping students maintain focus.

Single 3.5 mm jack simplicity

Simply plug it in to a 3.5 mm communication port and students are ready to go, avoiding time spent on complicated set-ups.

Lightweight and comfortable

Careful selection of materials and thoughtful design with an adjustable headband makes it perfect for regular use.

Designed to last

Manufactured to withstand daily use and comes with the EPOS two-year warranty.
