## Assemble MP54 (E2) and Put it on a Table

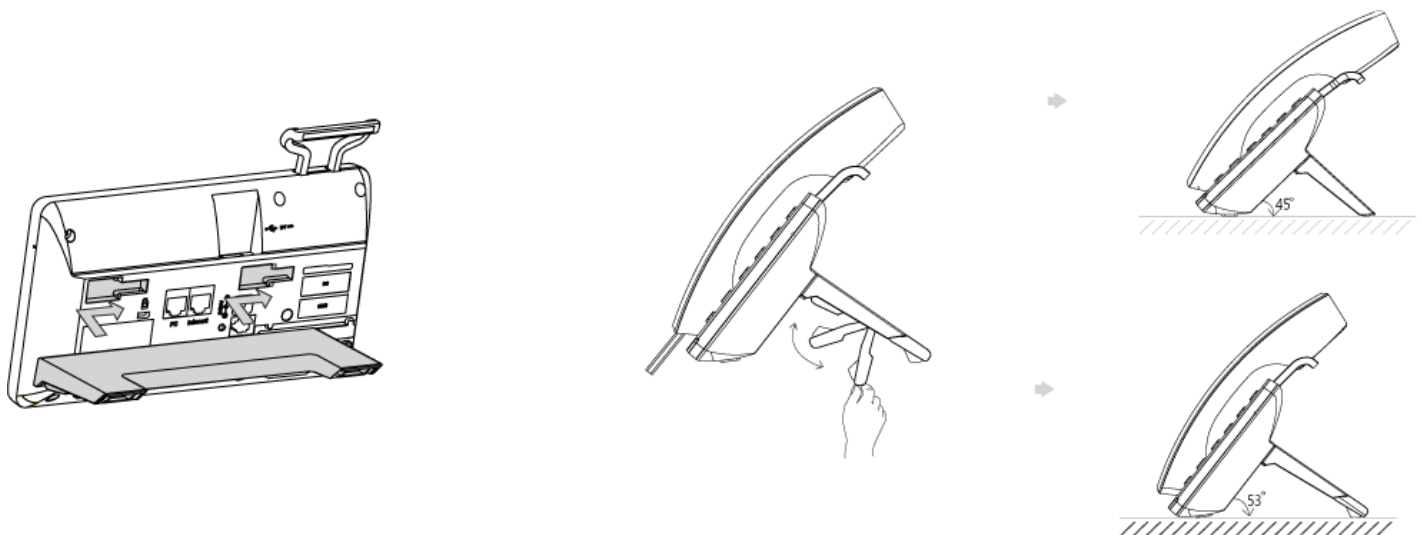

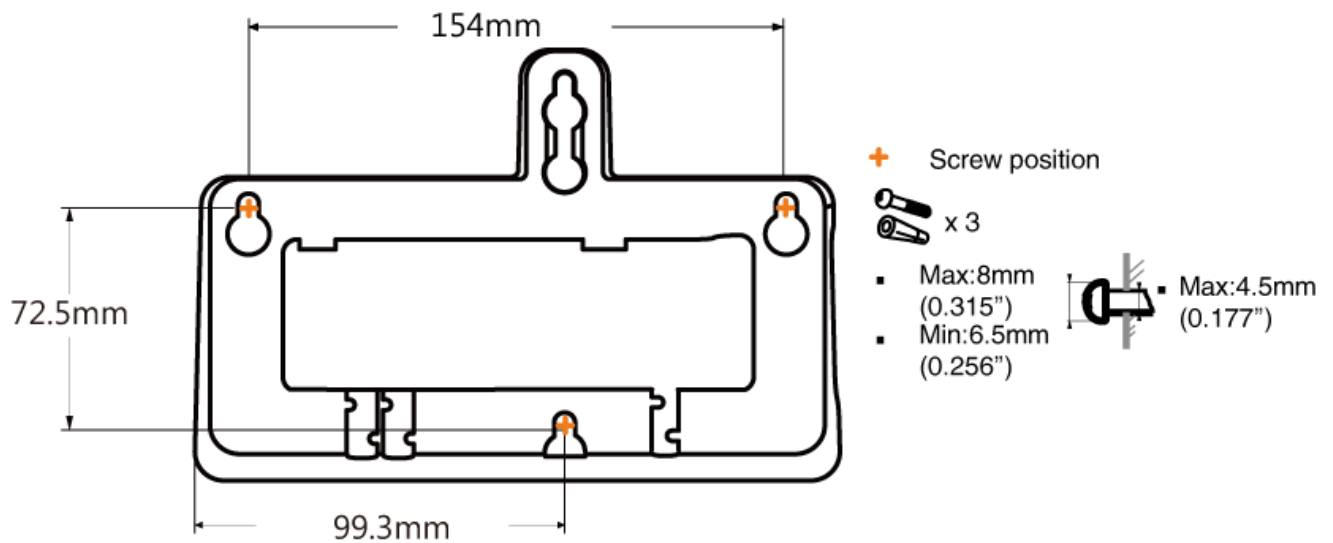

(Optional) Mount MP54 (E2) on the Wall

1. Mount the screws

    Yealink provides the wall mount drilling templates, which locate and mark the position for mounting the screws (not provided) on the wall, as shown below:
    ○ For American standards:

    ○ For others:

2. Attach the wall mount bracket

3. Adjust the hookswitch tab

4. Mount the IP phone to the wall
