# Features

### Three-microphone array

Experience conference calls with outside noise and distractions tuned out. A three-microphone array focuses on your voice — not the surrounding noise.

### Smartphone charger

Stay connected and ready for your calls with the ability to charge your smartphone when on the go via an USB-A port.

### Up to 20 hours of battery life

Work on the go — the battery is ready for portable use with up to 20 hours of talk time on a full charge. [1]

### Wireless connection

Enjoy easy connectivity, however you want to work with your devices — connect smartphones wirelessly via Bluetooth® or to the computer with the integrated USB-A or USB Type-C® cable. [2]

### Certified for Microsoft Teams

Full Microsoft Teams certification takes your Microsoft Teams experience to the next level with a button for instant access to the app and more.
