

# Poly CCX 350 Business Media Phone for Microsoft Teams and PoE-enabled GSA/TAA (8F3G3AA)

## Overview

### Exceptionally accessible

Get everything you want from a desk phone: CCX 350 Microsoft Teams-integrated IP phone offers quality HD audio, giving you incredible value at a great price. Durable construction and seamless keypad design make this a phone for any environment.

### Catch every word

Never miss a word or inflection with the industry's best sound quality. Thanks to Poly's exclusive HD Voice with Poly Acoustic Clarity technologies, you'll eliminate misunderstandings and save time simply by hearing every word.

### Reduce background noise

Our exclusive Poly Acoustic Fence and NoiseBlockAI technologies reduce distracting background noise by eliminating it at the source. It's perfect for conveying a quiet ambiance, even in crowded open offices and other noisy environments.

### Offers a classic dial pad

The traditional physical dial pad is ideal for small and home office users who prefer a non-touch screen experience, as well as vision-impaired users who need a dial pad.

# Features

## Easy to set up and install

The two-position stand and optional wall mount makes it a breeze to set up on desktops, lobbies, or kitchen walls.<sup>[1]</sup>

## Keeps conversations on track

This full-duplex speakerphone offers world-class echo cancellation, ensuring that your conversations aren't disturbed by echo or feedback. You can converse naturally, without your caller sounding like they're caught in a tunnel.

## Accessibility

The physical dial pad and illuminated keys offer easier access for users with vision impairment and other disabilities.

## Rugged, durable design

Durable design, debris resistance, and a seamless keypad design make it ideal for glove-hand use in retail, warehouse, and manufacturing locations.

## Easy management via Poly Lens

Take control of your deployment from anywhere via remote management with Poly Lens cloud-based device management software.

## A desk phone for Teams

Ideal for Microsoft Teams users who want a dial pad and full MSFT integration. It's one of the rare phones at this price point that's fully certified for Teams.

---

*[1] Wall mount is an optional accessory, sold separately.*

## Specifications
